Jamming of Foreign Satellite Channels

4492. SHRI KRISHNA KUMAR BIRLA : Will the Minister of INFORMATION AND BROADCASTING be pleased to state :

(a) whether the National School of Drama alumni has urged Government to jam foreign satellite channels like Star TV and Zee TV beaming into India ;

(b) if so, whether several foreign countries have jammed invasion of other networks in their countries ; and

(c) if so, the reaction of Government in this regard ?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI K. P. SINGH DEO) : (a) to (c) Suggestions have been received from various quarters regarding the country's response to the foreign broadcasts being transmitted over the Indian sub-continent. Jamming of channels was also one of the suggestions. It was, however, considered to be not in confirmity with International Telecommunication Union (ITU), Radio Regulatory provisions and similar other international conventions. Some countries have enacted legislations to ban the viewing of programmes received via foreign satellites.
